NSA Scholarship Foundation Announces 2013 Scholarship Winners

Alexandria, VA, June 20, 2013 — A total of 39 students are gaining a boost to their college educations in accounting by earning scholarships from the National Society of Accountants (NSA) Scholarship Foundation. Together, they will receive \$32,700 in scholarship awards.

The Foundation has provided more than \$1 million since 1969 to deserving undergraduate and graduate students who are committed to pursuing a career in accounting, helping to develop more qualified young accountants.

The scholarships range from \$500 - \$2,000. These recipients were selected on the basis of an overall outstanding academic record, demonstrated leadership and participation in school and community activities, honors, work experience, stated goals and aspirations, and financial need.

“Many accounting students need money like this to help them achieve their educational goals, and we are pleased to do our part to help them,” explains NSA Scholarship Foundation President Martha A. Bell, EA, ABA, ATA, ARA, “We look forward to seeing them join the profession in the future.”

The 2013 scholarship recipients are listed below with their universities, the NSA Affiliated Organizations or the named scholarships that provided funding, and the amount of each scholarship:

###

NSA and its affiliates represent 30,000 members who provide accounting, auditing, tax preparation, financial and estate planning, and management services to approximately 19 million individuals and business clients. Most members are sole practitioners or partners in small- to medium- size accounting firms. NSA protects the public by requiring its members to adhere to a strict code of ethics. For more information, visit www.nsaacct.org.

The National Society of Accountants (NSA) Scholarship Foundation is a 501(c)3 tax-exempt organization formed in response to NSA member commitment to education and the accounting profession. Through its national scholarship program, the Foundation encourages the next generation of accountants by providing financial assistance to college students majoring in accounting. The Foundation also administers an Educational Grant Program which provides grant funding for the development or enhancement of educational programs, surveys, research and other education activities for those currently in the profession. The NSA Scholarship Foundation, a tax-exempt organization, relies on voluntary, tax-deductible contributions received from individuals, businesses and organizations to fund the activities necessary to sustain its programs.
