National Society of Accountants Launches Webinar Series for Enrolled Agent Exam Preparation

ALEXANDRIA, VA, May 4, 2015 — The National Society of Accountants (NSA) has launched a series of four webinars to help accounting and tax professionals prepare for the Enrolled Agent (EA) exam.

Each of these two-hour webinars cover selected, heavily-tested parts of the EA exam:

“Individuals who are just beginning to study for the exam will find that these webinars offer a great way to jumpstart their studies and help guide them,” says NSA Executive Vice President John Ams. “Those who are nearly ready to take the exam will find the series to be a great review and refresher, as well as a useful self-evaluation tool.
