For Immediate Release: Accounting Scholarship Applications Open

Alexandria, VA, February 12, 2019 — The National Society of Accountants (NSA) Scholarship Foundation is accepting applications for 2019-2020 accounting scholarships.

The NSA Scholarship Foundation works to build career paths into and within the taxation and accounting professions. The scholarship assists dedicated students who are committed to a career in accounting by providing financial assistance to support their education.

Scholarships are awarded to undergraduates enrolled in a degree program at an accredited two- or four-year college or university. Applicants for scholarships are judged on scholastic achievement, demonstrated leadership ability, and financial need.

In 2018 the Foundation awarded scholarships to 25 students across the country.
