NSA Presenting Live EA Exam Review in May

Alexandria, VA, March 25, 2019 — The National Society of Accountants (NSA) is holding a live Enrolled Agent (EA) exam review at the Charlotte Marriott City Center, May 13 - 15 2019.

Due to the partial government shutdown earlier this year, the IRS' updates to the Special Enrollment Examination were delayed. A May 2019 – June 2019 exam window was opened to allow individuals seeking the Enrolled Agent credential to obtain it, prior to the July 1, 2019 updates. The May 2019 – June 2019 exam window covers tax law through the end of 2017 and does not cover content relating to the Tax Cuts and Jobs Act of 2017. The exam review course will be led by Bill Duncan and John Everett, award-winning former university professors.

Registrants will be able to choose from individual sections of the exam preparation — parts 1, 2, or 3 — or the entire 3-part, 3-day review program.

More information about the event is available at <https://www.nsaacct.org/education-events/eacourse>, and registration is now open.

###

NSA represents more than 7,000 members who provide accounting, auditing, tax preparation, financial and estate planning, and management services to thousands of individuals and business clients across the nation. Most members are sole practitioners or partners in small- to medium-size accounting firms. NSA protects the public by requiring its members to adhere to a strict code of ethics.
